<input type="checkbox"/> Completed Credit Card Authorization Form	Required regardless of other form of payment. To secure discount rates, must be received by Electrical Discount Deadline Date.
<input type="checkbox"/> Completed Electrical Outlet Order Form	Must include complete Credit Card Authorization, Labor Order Form and floor plan to secure discount rates, if applicable. Call GES Electrical for assistance.
<input type="checkbox"/> Completed Labor Order Form	Floor Work labor must include complete floor plan. Regular or showsite rates on outlets and labor will be applied based on the date the complete order is received.
<input type="checkbox"/> Complete electrical and overhead lighting layout	A legible, scaled floor plan in CAD or pdf format (diagram must include MDL for power, distribution, orientation and all 1000 Watt overhead focus points).
<input type="checkbox"/> Check rating plates on your equipment	Ensure that you will have the proper power to operate your display.
<input type="checkbox"/> Do you require additional lighting?	We can handle a variety of lighting options to enhance your display.
<input type="checkbox"/> Exhibitor's equipment will be modified to conform to GES' electrical cords and caps and will be billed on a time and material basis.	Exhibitors may pre-wire their equipment to match our receptacles. The following plugs are compatible: <ul style="list-style-type: none"> • 15 amp 120 volt: Standard U-ground cord cap • 30 amp 208 volt 1Ø or 3Ø: Leviton 2811 or Hubbell 2811 • 60 amp 208 volt 1Ø or 3Ø: Daniel Woodhead Plug Y560P • 100 amp 208 volt 1Ø or 3Ø: Litton-Veam Plug CIR01GRH
<input type="checkbox"/> Avoid code violations	Check the electrical code requirements on the Electrical Information form.
<input type="checkbox"/> Helpful Tip	Please have the following available at showsite: a successful fax transmittal and/or copy of email sent showing attachments.
<input type="checkbox"/> Still have questions?	Please do not hesitate to contact us at (800) 475-2098. We're here to help!

Electrical Information

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

9th International Lymphoedema Framework Conference
 Hyatt Regency Chicago
 June 13 - 15, 2019

Electrical Code

Electrical requirements for an exhibit at all convention facilities are for the safety of all Exhibitors and are based on national electrical codes and local ordinances.

Too frequently, fires have been traceable to faulty wiring, sometimes because of carelessness and sometimes because of lack of understanding of the risks involved.

In the interest of public safety, exhibits at all convention facilities may be inspected to determine if any violations exist. If they are found, qualified electricians are available to correct the problems. This work will be performed on a time and materials basis. If the Exhibitor does not wish to have the fault corrected, electrical service to the offending booth will not be connected.

If an Exhibitor is not informed or does not understand basic safety standards for electrical wiring, an electrician should be consulted before shipment is made to convention facilities.

Serious risks are involved which can be eliminated by understanding basic requirements of safe wiring inside your booth. For the safety of you and the public, remember these points:

- All wiring must have a 3-wire grounded cord with a minimum of #14 gauge.
- Spot or flood lighting is a hazard when lamps are too close to fabrics or other material which can be affected by heat.
- The use of clip-on sign sockets, latex, or lamp cord wire in displays, or the use of 2-wire clamp on fixtures, is prohibited by order of fire prevention bureaus at trade shows and conventions.
- Zip cords or two-wire cords are ungrounded and could result in safety hazards. Their use is forbidden in all convention facilities. Please leave all 2-wire cords at home!
- Exhibitor is responsible for providing surge protectors for their Goods. GES is not responsible for loss or damage resulting from power surges. Furthermore, GES' liability for any and all loss or damage is limited to the value of the cost of electrical services provided or depreciated value of Goods, whichever is less.
- GES is not responsible for voltage fluctuation or power failure due to temporary conditions. Exhibitor is responsible for providing surge protectors for their Goods. GES is not responsible for loss or damage resulting from power surges. Furthermore, GES' liability for any and all loss or damage is limited to the value of the cost of electrical services provided or depreciated value of Goods, whichever is less.

If you have any questions, please call us at (800) 475-2098

Where will my outlet be located?

There are four different types of trade show booths: In-Line Booths, Peninsula Booths, Back-to-Back Peninsula Booths, Pavilion Booths, and Island Booths. Each type of booth has its own standard method of installation. In the following diagrams, the symbol represents the approximate location of power outlets. Main drop locations must be indicated on the floor plan as MDL:

One drop will be provided within the booth when power source is in the ceiling or one location on perimeter when power is in the floor.

In-Line Booths, Peninsula Booths, or Back-to-Back Peninsula Booths:

Your pre-ordered electrical outlet will be installed at the rear of your booth, at the drapery line.

Island or Pavilion Booths:

You need to designate one location for each outlet you order. Multiple outlet locations will be charged on a labor and material basis. For facilities with power originating in the floor, your electrical outlet will be placed at one location at our discretion. All other distribution will be done on a time and material basis. If you fail to provide us with a floor plan, outlet will be placed at one location at our discretion.

How much power do I need?

Calculate your lighting needs by adding wattage in each location. For other equipment, read the ratings from the metal plates attached to each unit.

V120 PH1 Hz60 W1000	120 Volt Single Phase 60 Cycle 1000 Watts	V230 A30 PH3	230 volts 30 Amps 3 Phase

Tips

Easy Ordering Tips:

- Electrical Labor is required for: all under-carpet distribution of electrical wiring, all facility overhead distribution of electrical wiring, all motor and equipment hook-ups requiring hard wiring connections, installation and/or repair of electrical fixtures and installation of electrical motors and electrical apparatus.
- All outlets over 20 amps and/or with a voltage over 150 volts will require electrical labor. Labor is required to inspect equipment pre-wired to plug into our system. Exhibitors are not permitted to use power unless ordered. Exhibitors found using outlets without an order will be subject to the regular rate for outlets used.
- Straight Time: Monday through Friday from 8:00 AM to 4:30 PM.
- Overtime: All other times Monday through Friday. All day Saturday, Sunday & Holidays.

Step 1. Order Outlets and Accessories

120v Motor and Equipment Outlets

Item Code	Description	RATE (\$)	Qty	Tax %	Total
700003	15 Amp/1500 Watts, 1/4 HP 120V	383.16		9.0	\$
700004	20 Amp/2000 Watts, 1/4 HP 120V	418.70		9.0	\$

Electrical Accessories

Item Code	Description	RATE (\$)	Qty	Tax %	Total
700130	Extension Cord, 14/3 120V, 15'	36.83		9.0	\$
700099	Plug Strip, 120 Volt	39.04		9.0	\$

Step 2. Order Labor

Item Code	Description	RATE (\$)	# of Electricians	# Hours	Total
705060	Electrical Floor Work, ST	154.50			\$
705060	Electrical Floor Work, OT	231.75			\$
705060	Electrical Floor Work, DT	309.00			\$
705061	Electrical Booth Work, ST	154.50			\$
705061	Electrical Booth Work, OT	231.75			\$
705061	Electrical Booth Work, DT	309.00			\$

Show Site Contact	Show Site Email	Show Site Phone Number

Step 3. Schedule Electrical Labor

The minimum charge for labor is one (1) hour per worker and equipment. Labor thereafter is charged in half (1/2) hour increments per worker and equipment.

Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES. GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest hotline at 866.225.8230 to report fraudulent or unethical behavior. All rates are subject to change if necessitated by increased labor and material costs.

Please estimate the number of workers and hours per worker needed for installation. Invoice will be calculated according to actual hours worked, relative to the original estimate and based upon the date received. Additional labor required will be calculated and invoiced at the show site rate. Exhibitors requiring electrical installation labor will automatically be charged a dismantle fee. Dismantle labor is charged at 50% of installation labor based on show close/move-out days/time, and does not need to be scheduled. Please take notice - this event moves in and out on overtime, all applicable surcharges will apply.

Plumbing Services Information

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

9th International Lymphoedema Framework Conference
Hyatt Regency Chicago
June 13 - 15, 2019

Important Conditions and Regulations

- All material and equipment furnished by GES for this service order shall remain GES property and shall be removed ONLY by GES at the close of the show.
- Wall, column and permanent building utility outlets are not a part of the booth space and are not to be used by Exhibitors.
- All equipment must comply with state and local safety codes.
- Claims will not be considered unless filed by Exhibitor prior to close of exposition, no exceptions.
- Prices are based upon current wage rates and are subject to change without notice.
- Under no circumstances shall anyone other than "Plumbing Personnel" make service connections.
- Special equipment requiring company engineering or technicians for assembly, servicing, preparatory work and operation may be executed without GES "Plumbing Personnel." However, all service connections to such equipment must be made by GES "Plumbing Personnel" only.
- All equipment using water must have inlet and outlet properly tagged.
- Unless otherwise directed, GES "Plumbing Personnel" are authorized to cut floor coverings to permit installation of service.
- Service outlet size will be determined by the volume required.
- All work performed within booth attaching lines to equipment will be charged on a time and material basis in addition to connection fees.
- A separate connection fee will be made for each piece of equipment using connected service, whether connected directly or otherwise.
- GES must have 30 days notice in order to supply special regulators, strainers, traps, etc.
- All booths include up to 100 feet of accomplished distance. Use of additional footage or equipment will be charged at the prevailing labor and materials rates.
- GES Plumbing will not be responsible for sediment, color or taste of water in water line.
- All cylinders must be firmly attached to exhibit. If cylinder must be made secure by contractor, a labor charge may be added.
- A connection of a regulator to equipment will be subject to a 1 hour minimum labor charge plus materials at prevailing labor rates.

Compressed Air

- Trade Show Electrical (GES) is not responsible for moisture, oil, or water in the lines, loss of pressure or excess pressure. GES Plumbing is the exclusive provider of compressed air for this event. The use of portable compressors are strictly prohibited. Only compressors that are part of an Exhibitor's product display or installed as an integral part of an Exhibitor's product will be allowed on the show floor. Exhibitors must supply their own filters, air dryers, or pressure regulators.

Water

- Pressure may vary. No guarantee can be made of minimum or maximum pressures. If pressure is critical, Exhibitor should arrange to have a pressure regulator valve or pump installed.

Labor

- Laying of any lines under carpet, or other flooring, or spotting from ceiling will be an additional labor charge.

Rates

- Discount rates apply if a complete order is received by the discount deadline date.
- A complete order consists of:
 - Complete valid Payment and Credit Card Authorization
 - Order Plumbing Outlets
 - Schedule Plumbing Labor
 - Return Booth Layout for PlumbingIncomplete orders will be subject to change to regular on outlets and labor rates based on when complete order is received.
- GES' liability for any and all loss or damage is limited to the value of the cost of plumbing services provided or depreciated value of goods, whichever is less.

Show Site Contact	Show Site Email	Show Site Phone Number	

Easy Ordering Tips:

- Any and all connections will be subject to a labor charge.
- Include a Plumbing Layout Form for easier installation.
- Straight Time: Monday through Friday from 8:00 AM to 4:30 PM.
- Overtime: All other times Monday through Friday. All day Saturday, Sunday & Holidays.

Step 1. Order Labor

Item Code	Description	RATE (\$)	# Plumbers	# Hours	Total
705011	Plumbing, ST	87.60			\$
705011	Plumbing, OT	175.25			\$

Step 2. Please Indicate Service

What is Exhibitor Supervision? An exhibitor chooses Exhibitor Supervised so they are able to instruct the laborer in person. The exhibitor is required to be in the booth and there are no supervision fees. A Scheduled date and time is necessary for this choice.

What is GES Supervision? An exhibitor chooses GES Supervised when they want the work completed prior to their assigned target date and time. This allows exhibitors to start their booth build at their assigned target date and time. On most shows and services, there is a minimum surcharge (\$50.00 Minimum) for the professional supervision. Remember, when an exhibitor chooses this option, they do not need to schedule a date and time for services to be completed.

Option 1

- Exhibitor Supervised
 - You must schedule date & time below as well as # of plumbers and estimated hours.
 - GES assumes no liability for loss, damage or bodily injury arising out of the installation and/or dismantling of Exhibitor's property by GES provided union labor. Exhibitor assumes the responsibility and any liability arising therefrom, for the work performed by union labor under Exhibitor's supervision. Exhibitors must stay clear during movement of freight.
 - Labor cannot be scheduled prior to assigned target date.

Option 2

- GES Supervised (OK to proceed without exhibitor.)
 - If this is left unmarked and a floor plan has been submitted, GES will proceed with the labor. A 30% surcharge will be added to the labor rates above for this professional supervision.
 - Date and time not required. No need to complete Step 3. Proceed to Total and Sign.

Step 3. Schedule Plumbing Labor for Exhibitor Supervised Labor

Installation

Start time can be guaranteed only when labor is requested for the start of the working day at 8:00 AM. All exhibit labor for 8:00 AM start times will be dispatched to booth space. Confirm labor and equipment by 2:30 PM the day before date requested. Upon completion, the Exhibitor's representative will return the crew to the labor desk and approve the work order. Equipment and labor cancelled without a 24 hour notice shall be charged a one (1) hour cancellation fee per worker and equipment. If Exhibitor fails to use the workers and equipment at the time confirmed, a one (1) hour "No-Show" charge per worker and equipment will apply.

The minimum charge for labor is one (1) hour per worker for both installation, removal, and equipment. Labor thereafter is charged in half (1/2) hour increments per worker and equipment.

Please estimate the number of workers and hours per worker needed for installation. Invoice will be calculated according to actual hours worked, relative to the original estimate and based upon the date received. Additional labor required will be calculated and invoiced at the show site rate. Exhibitors requiring plumbing installation labor will automatically be charged a dismantle fee. Dismantle labor is charged at 50% of installation labor based on show close/move-out days/time (overtime rates may apply), and does not need to be scheduled. If plumbers are required in booth at a specific time for dismantle, please notify the GES Electrical Service Desk at the show.

Gratuities in any form, including cash, gifts, or labor hours for work not actually performed are prohibited by GES. GES requires the highest standards of integrity from all employees. Please call our confidential Always Honest hotline at 866.225.8230 to report fraudulent or unethical behavior. All rates are subject to change if necessitated by increased labor and material costs.

Fire Regulations

All orders are governed by the GES Payment Policy and GES Terms & Conditions of Contract as specified in this Exhibitor Services Manual.

9th International Lymphoedema Framework Conference
Hyatt Regency Chicago
June 13 - 15, 2019

Welcome to the Hyatt Regency Chicago.

In compliance with the directives of the Chicago Fire Prevention Bureau, we ask that all exhibitors read and strictly adhere to the following:

Exhibitors may not, under any circumstances, store empty cases, equipment, products, or materials of any kind behind any drape or under their table or display at any time during the show. You may keep one day's supply of your product or materials on display in the open area of your booth space. Any items stored behind a booth display or drape will be subject to removal and will be placed in an off-site storage facility. "Empty" labels are provided for your convenience and are available at the Decorator's Service Desk. Please affix these to your empty containers and place them in the aisle for pick up. They will be returned to your booth at the break of show.

The Chicago Fire Marshal reserves the right to close down any Exhibitor that does not comply with the above Rules and Regulations. The Exhibitor will be held responsible for payment of any services rendered.

We appreciate your cooperation.

General Fire Safety Policies and Procedures

Statement of Purpose:

General fire safety policies and procedures have been established to ensure the Hyatt Regency Chicago, its guests, clients, personnel and related service industries are working in a safe environment, and in compliance with City of Chicago statutes governing fire prevention. These policies and procedures should serve as a guideline for all concerned and will be enforced by Hyatt Regency Chicago Management. Any requests for variations or exceptions should be directed to Hotel Exposition Services.

1. All material, including scenery, drapes, signs, etc., used in construction of an exhibit booth must be flame retardant. Polyurethane foam must pass the "standard flame test." Only fire retardant cardboard and paper may be used. Affix certificate of flame proofing to the booth.
2. No storage of any kind is allowed behind the back drapes, behind booth displays, or under tables. A maximum of one-day's supply of materials may be placed in an open area of your booth space.
3. No hazardous demonstrations, such as welding, cooking with natural gas, heater demonstrations, etc. will be permitted without the written approval of the Chicago Fire Prevention Bureau. A copy of all paperwork regarding the request and the approval of the procedure from the Fire Department should be forwarded to the Hotel Exposition Services.
4. No hazardous material will be permitted in an exhibit. Hazardous materials include: open flames, hot coals, propane, gasoline, kerosene, radioactive material, oxygen, etc.
5. Vehicles or apparatus with fuel tanks for display must tape fuel cap and contain no more than 1/8 tank of fuel. Battery cable must be disconnected.
6. Exhibits with enclosed ceilings are not permitted. All exhibits should remain 18" below the ceiling/sprinkler system.
7. All fire hose cabinets, pull stations, and emergency exits must be visible and accessible at all times.
8. All main and cross aisles, corridors, stairways, and other exit areas must maintain the required minimum width of 8 feet. No protrusions into the aisles are permitted.
9. Smoking is not permitted at any time.
10. Report emergencies immediately by dialing 55 on any house phone.
